

Hello Charger Families!

Happy Friday of Halloween weekend!

This has been a very good week at Jack Chambers. We have had many great moment this week and the classes are doing some very interesting projects. It was so nice to see the art that is produced as well as the creative writing and critical thinking. Jack Chambers students are accepting and excelling at some very great challenges.

Thank you to the team that weeded our Reading Garden! It looks great and will grow in so much nicer in the spring. Thank you!!!

Reminders to everyone regarding the self-assessment that must be done everyday prior to attending school. The Ontario and London and Middlesex Health Unit have produced excellent resources in order to determine health decisions.

COVID-19 School and Child Care Screening - <https://covid-19.ontario.ca/school-screening/>

***NEW: COVID-19 Decision Tool for Parents/Caregivers <https://mlhu-qpfuc6j.netdna-ssl.com/uploads/covid-19-decision-tool-for-parents-caregivers.pdf>**

The weather is getting cooler every day. Make sure your children have layers, hats and mitts so they can enjoy the outdoors. Our lost and found has a few sweat shirts that are starting to gather. Please remind your children to look for items that you are missing.

The class photos are amazing! Thank you to Mrs. Carmichael for organizing the photographs and sending them out to the families of each class. Check your email if you have not seen the photo yet.

We wish everyone a fantastic week filled with safe fun. Check out the ideas for a COVID Halloween.
