

Jack Chambers Charge Ahead

January 21, 2022

Dear Jack Chambers Parents and Guardians,

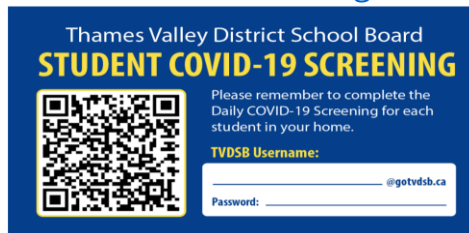

It has been great to welcome everyone back to in person learning this week.

Reminder to complete the Ontario Covid Screener daily. The screener has been updated this week, and it will be able to give you very clear directions based on your responses. Screening and isolating is a very important tool to keeping us back in school. Once you follow the screening tool, don't forget to use the QR code to record the result.

A blue TVDSB Student COVID-19 Screening sticker with your child's username and password was sent home with your child prior to the winter break to provide you with the necessary information to complete this daily confirmation form. Each child in your household should have received a sticker.

The COVID-19 School and Child Care Screening Confirmation Form can be accessed the following ways:

1. Use the camera app on your cellular phone to view the QR code located on the sticker. You will be prompted to open a webpage that will lead you to the confirmation questions.
2. Access the TVDSB [Parent Portal](#). The link to the Screening Confirmation Form is located at the top of the page.
3. Open a browser and go to www.tvdsb.ca/Screening.
