

Jack Chambers Charge Ahead

January 7, 2022

Dear Jack Chambers Parents and Guardians,

We are very sad to be back in the Virtual Learning world again. We definitely miss our students and want to return in person as soon as possible! However, we must stay apart in order to protect our loved ones and have enough healthy people to work.

All of our students should be connected with their teachers and learning online by now. If your child has not been able to connect, please reach out to the school. All students need technology to connect to their learning, and if your child does not have technology at home to use, you can request a device to borrow from the school during this time.

Our office is not running regular hours right now so please email, jackchambers@tvdsb.ca or leave a message at 519-452-8240. We are checking this regularly and will get back to you as soon as possible.

It is important to keep your children connected to their classmates, teachers and remain engaged in some learning while we are virtual. It may look differently than in person learning, but educators are so valuable at providing supports that are necessary for mental wellness. The structure, social connection, and focus as well as check-ins with teachers are very important. We are in this together and each of us provide a critical role in getting our children through this as well. Attendance will be taken each day, so if your child will be absent please report it through the attendance app.

We want to see who your children are learning with at home! If you are comfortable with being posted to social media and our school emails, share a picture of your child learning at home. Do they have a pet or stuffy that is keeping them going?? We want to see it! Send your photos and descriptions to Mrs. Martin at joanne.martin@tvdsb.ca

Coming Up....

New Kindergarten Registration for our new Junior Kindergarten students that will start September 2022 is starting on January 17th. Information and registration is online at <https://jackchambers.tvdsb.ca/en/our-school/kindergarten.aspx>

Gr 1 applications for French Immersion placement is also being taken at this time. Visit the website link <https://www.tvdsb.ca/en/schools/registration-for-kindergarten-and-grade-1-french-immersion.aspx#> for information about this program.

Reminder to complete the Ontario Covid Screener daily. They have updated the screener this week, and it will be able to give you very clear directions based on your responses. Screening and isolating is a very important tool to getting us back to school.
