

Jack Chambers Charge Ahead

October 22, 2021

Dear Jack Chambers Parents and Guardians,

**Great things are happening at JC!**

Congratulations to Yuchan Seon from Mrs. Schram's Grade 6 class. Yuchan placed 1st out of 1,047 Grade 5/6 students in the annual Caribou Math Contest! Yuchan was 83rd out of 18,346 world wide! This is an amazing accomplishment. We are so proud of you Yuchan!

**Black and Orange Day**

Looking forward for a spooktacular day! All students are encouraged to dress in black and orange on October 29th. Please keep your costumes for October 31st fun.

Classes will be participating in a school wide dance with music over the PA. Our school will finally get to celebrate 'together' and have some JC FUN! Kindergarten to Grade 6 @ 2:15-2:45pm and Gr 7-8 @ 2:45-3:15.

There will be some snacks for sale through Cash Online that will be delivered to students in their classrooms with all profits going to United Way. Pop and Chips bundle \$3 [Link to Cash Online.](#)

For this special day we will allow pre-packaged nut free treats to be sent in and shared with your child's class.

**Birthdays**

We celebrate students on their special day in our classrooms and make sure they are recognized and feel very special. We ask that treats not be sent into the school due to covid restrictions and allergies.

Please see this month's [\[/tvdsb/emailattachment.php?id=28449&caid=51306&name=Home Connections in Math November 2021.pdf\]](#)Home Connections in Math November 2021.pdf

In light of October being Cybersecurity Awareness Month, please
