

Dear Parents/Guardians,

Since the TVDSB is not allowing companies to come into our schools to take student and class photos, we would like to take our own class photos. Given this historical time, we would like our students to have a class photo, with masks, as we navigate Covid 19. We will share the photo, through Messenger, with only the class. We will be taking our photo, outside and socially distanced, beginning on Monday, weather permitting. If you DO NOT want your student to participate in this activity, please notify me ASAP.

Message from the JC Library: Thank you to everyone who has returned their child's library books these last few weeks! Unfortunately, there are still many more books that still need to be returned, with some dating back to February and March. On Monday or Tuesday, your child will be given a sheet of paper with the book(s) that still need to be returned. If you could please look for it and return it to the school no later than Friday, October 23, it would be appreciated. If you can't find the book, please indicate that on the piece of paper and return it to the school. Thank you in advance for helping us out in this process.

As each student started the year they were given a Jack Chambers planner to assist them in gaining valuable organizational skills as well as providing a way for communication to go between home and school. To supplement the cost of the planner books we suggest a donation of \$3 that can be made through the Cash-Online system. We thank you for this donation so that we can continue to provide this each year.

Please help us to keep everyone safe at JC. After school, please take your children home rather than mingling on the playground or climbers. The Premier and the Health unit are directing families to not go outside of your immediate family bubble to socialize. We are working hard to keep them in a safe cohort and need your help.

Have a great weekend and stay safe!!
