

# Jack Chambers Charge Ahead

April 1 , 2021

**Dear Jack Chambers Parents and Guardians,**

**To those that celebrate Easter- Happy Easter!**

It will be a beautiful weekend for everyone to enjoy some extra time and slow down your pace.

Please remember the Health Unit and Provincial guidelines while enjoying the spring weather

but only with those in your immediate bubble, while practicing masking, distancing and hand

hygiene. We want to keep the schools open and keep everyone healthy.

As communicated by the Thames Valley Board yesterday, your child will be bringing home all

personal items to be prepared in case of a pivot to remote learning. If you borrowed

technology during the last remote session and returned it to the school in January, it has been

sent back home today. Please make sure that you are keeping it safe in your care and follow the

TVDSB use of technology agreement.

**Thank you for all of your support of Jack Chambers staff and the excellent learning**

**opportunities.** We appreciate that your children are coming to school each day prepared!

Arriving on time, having their lunches, appropriate clothing, water bottles and school work with

them each day allows for fewer disruptions to the classroom learning.

This month's Home Connection in Mathematics supports a child's understanding of fractions.

Reminder:

Spring Break that is usually in March has been moved to April 12 to 16<sup>th</sup>. Please sign up for access to the Parent Portal and Cash Online if you are not already connected. [Parent Portal Link](#)

Coming Up:

No School – Good Friday and Easter • Monday-April 2 and 5

Wear Blue for Autism Awareness on April 6 ••

***Be Safe and Wash your hands!***

Mrs. Young, Mr. Ratter  
and the Charger Staff
