Lester B. Pearson School for the Arts

Any grades 3-7 students that are interested in the Arts (Dance, Music, Art, Drama), are invited to register for the Information Workshop. Registration closes Monday at midnight. The instructions will be provided through email the first week of February and the videos will be due the first week of March for everyone who registers. <https://forms.gle/KRjLDdH9xkvNy9N17>

Grade 9 De-Streamed Math Survey

On March 9th at 7:00pm, TVDSB will be offering an information session for Grade 8 families regarding Grade 9 mathematics. During the session, there will be time for families to ask questions regarding the Grade 9 De-streamed Math course. In preparation for this session, we would like to allow families the opportunity to ask any question(s) in advance that they may have. These questions will be addressed during the information session.

To be as responsive as possible, questions will be reviewed and the entire presentation on March 9th will be based on common themes and questions that are asked. We are hopeful that as many families as possible will be able to submit any questions they have by February 18th. More information will be provided towards the end of February about accessing this information session.
