

Jack Chambers Charge Ahead

Happy Friday!!

- Please look for your son or daughter's term 1 report card which is being sent home today. Virtual students will receive them in the mail next week.
- The recollection of technology devices loaned to students will occur on Tuesday and Wednesday next week. This return of loaned devices will support the need for us to have devices available for student use in classrooms. Devices can be returned daily between 8:00-4:00 at the main office. Please ensure that the device is **clearly labelled with the student's name and that all power cords are included.**
